Dear Parents and Carers,

Firstly, can I take this opportunity to wish you and your family a healthy and successful new year.

The governors with all the staff of Millbrook Junior School look forward to working in partnership with all our parents and carers in the coming year to enable all the children at our school to succeed and achieve their potential.

Working in partnership is based upon mutual respect. Sadly, the staff of the school have experienced some inappropriate behaviour by a minority of parents over the last few months. This has included increasing experience of some parents and carers shouting, swearing and being aggressive towards staff on the phone and in person. Our staff are dedicated professionals who work hard to help all our children. During the covid pandemic they worked way beyond what could have been expected of them. I think they deserve and should be treated with respect, as should our parents and carers when communicating with the school. Can I therefore ask for all our parents and carers to communicate with all the staff of Millbrook Junior School in a spirit of mutual respect and constructive communication.

Yours sincerely

Paul Davies  
Chair of Governors
