Headteacher: Mrs Danielle Warren

17<sup>th</sup> April 2023

Dear Parents/Carers

Following your feedback from our Home Learning questionnaire, we have implemented these changes which will start this term:

- A variety of activities during the reward time
- Continue to reward the children who have completed their Home Learning
- Allowing more time for the Home Learning to be completed: **Saturday until Friday 7:30am.**

Every Friday, two classes will be chosen at random for the reward that week. The children that have completed the expected number of nuggets (three for Y3, four for Y4, five for Y5 and six for Y6) will be able to take part in the reward and choose from the activities offered. The children that have not completed their nuggets that week will be completing these during the Home Learning reward time. They will be provided with a sticker for their planner to let you know that they completed their nuggets during this time.

Although we recognise that rewarding children for completing their Home Learning is extremely important, please remember that we are also encouraging the promotion of positive learning behaviours. This will ultimately support them in their future and current education, to support their learning further.

Thank you for your continued support.

Abigail Claypole  
Home Learning Lead
