26th May 2023

Dear Parents/Carers,

As part of our 'Cook Well, Eatwell' Design and Technology unit, our Year 3 children will have the opportunity to taste a range of foods as they work towards creating their own taco filling.

The children will cook using a range of ingredients from the following list:

- Carrots
- Potatoes
- Corn/ wheat tortillas
- Olive oil
- Red onion
- Red pepper
- Yellow pepper
- Courgette
- Cherry tomatoes
- Lettuce
- Sweetcorn
- Avocado
- Black beans
- Salsa
- Sour cream
- Cheddar cheese

Please give consent via School Gateway for your child to take part in the tasting of the aforementioned foods and also give details about any allergies your child may have.

Please ensure this has been completed by **Monday 5th June 2023**

Thank you for your support

Hannah Curtis
Year 3 Class Teacher
