Friday 23rd June

Dear Parent/Carers,

As part of our 'Sow, Grow, Farm' Topic, our Year 5 children will have the opportunity to participate in a cooking and tasting session on either 5th, 6th or 7th July. They will be designing their own vegetable soup recipes and tasting these in school.

Please give consent, via School Gateway, for your child to use a combination of the ingredients below.

If your child has any food allergies, please inform the school.

Please complete and confirm by 30th June 2023.

Thank you in advance,

The Year 5 Team
