Dear Parents/Carers

Thank you for all the support that you provided your child with in order to complete their Summer Home Learning. We were extremely impressed with what we have seen!

This year, Home Learning expectations each week includes:

- Nuggets on Maths Flex (4 for Y4, 5 for Y5 and 6 for Y6)
- Reading at least 3 times a week – **yourself or your child will need to record this in their planner on the pages provided**
- Quiz once their AR book is complete
- Complete the handwriting task in their handwriting book using black pen
- Contribute towards their Science project (*deadlines are available on google classroom*)
- Use Times Tables Rockstar (TTRS) for approximately 15 minutes

Home Learning can be started on a Saturday and must be completed by **Friday 7.30 am**. Your child's handwriting book **must** be returned to school on a Friday with their handwriting task completed.

Please can you **sign your child's planner weekly** and **write 'All Complete' in the 'Home Learning comments' box** once their Home Learning is complete. Their planner must be in school on a Friday also.

Four winning classes will be chosen at random each Friday for a Home Learning reward. Children who have not completed **all** tasks will not be able to take part in the rewards. To help you monitor this also, a reminder sticker will be put in your child's planner if an aspect of Home Learning has not been completed.
