22nd September 2023

Dear Parents/Carers

FOMS would like to welcome you all back to another school year at Millbrook Junior School and welcome all our newcomers. We aim to provide a range of events throughout the school year for our students, to raise funds for resources to support and enrich your child's time at Millbrook Junior School. This year we are raising money towards an all-weather track on the school field.

Our first fundraising project is through Cauliflower Cards. Over the years children have created a Christmas card design in school which have then being taken home to place orders, however due to feedback received from parents FOMS have chosen to send order forms home with students and allow them to create their own designs at home.

For those who would like their design made into cards, labels, gift wrap or more, please place orders through Cauliflower Cards, details are given on the order form on how to do this. Once your order is placed your child's order form should be returned to school no later than **Friday 6th October**. These will then be returned to the company for your orders to be made.

Another way in which you can support us is by signing up to our school lottery by visiting www.yourschoollottery.co.uk and search for Millbrook Junior.

For any parents or carers who would like to help FOMS with their fundraising or would like to make any suggestions for events please send an email to friendsofmillbrookschool@outlook.com

We look forward to a year of fun and fundraising and will be in touch with upcoming events soon.

FOMS
