

WEAR Orange

Friday, 10th November 2023

Supporting Sebastian

On November 10th, we will be wearing orange to raise funds for Sebastian.

Sebastian was diagnosed with Neuroblastoma, a rare type of childhood cancer that originates in the abdomen and can spread throughout the body.

Sebastian's family is seeking to raise £200,000 to cover the cost of his life-saving treatments that are not available in the UK. The funds will also be used to support Sebastian's parents and help him lead a happy life while he is unwell.

Your donation will directly aid in Sebastian's care, treatment, and recovery.

Any additional funds will be donated to a UK charity that focuses on fighting this rare disease.

We are inviting everyone to join us in supporting Sebastian by wearing orange and donating £2.

Together, we can make a difference in Sebastian's life and help to bring awareness to this important cause.
