6<sup>th</sup> November 2023

Dear Parents/Carers

Thank you for your support towards your child completing their Home Learning. We are writing to inform you **why** it is so important that their engagement with Home Learning is continued.

Home Learning is vital because it provides:

- A chance to practise key skills
- Opportunities to learn more
- An opportunity for you to become better informed about what your child is learning at school
- The development of basic time management skills
- An increase with overall progress
- The development of learning behaviours which will support future education
- Opportunities to learn how to set priorities
- Opportunities to solve problems
- Opportunities to review what has been learnt at school
- A chance to take responsibility for learning
- The realisation that they may have to do things even if they might not want to
- An opportunity to work independently

During our Parent/Carer evening there will be a Home Learning stall for you to visit, providing you with further information. Please reflect upon this vital information and feedback to us during your visit.

Yours sincerely,

Abigail Claypole  
Home Learning Lead
