Dear Parent/Carer

## Motivation speaker to visit our school!

As you know, at Millbrook Junior School we encourage our children to Dream, Believe, Aspire and Achieve to be the very best versions of themselves. Our pupils have developed the 'Five Hands;' which is their vision of what they want to be in the future. Our curriculum is designed to deliver this vision and is centred on key drivers of place and space, knowledge and **ambition**.

We are delighted to announce that we have secured a motivational speaker who will be visiting our school on 19<sup>th</sup> March. Anthony Bennett (see attached) is an international inspirational and motivational speaker on teamwork, mental health and resilience in business, healthcare and schools.

We are very fortunate in that the Friends of Millbrook (PTA) have provided a donation to contribute towards the event. We are asking for a voluntary donation of £1 per pupil to contribute to the remaining balance. This can be made via the School Gateway App.

I hope you will agree that this is an exciting opportunity for our school to continue to develop **ambition** for all of our pupils.

Kind regards

Mrs Warren
